**I request** the group insurance shown on page(s) 2 and/or 3 of this application. To the best of my knowledge and belief: (a) I am eligible for such insurance; and (b) the statements I have made are true and complete. I understand that New York Life has the right to require additional information and, if necessary, an examination by a physician. I ask New York Life to rely on all such statements made on this form, and any supplements to it, while considering this request. I also understand that the coverage afforded will be in consideration of the answers and statements set forth above, and on any supplemental forms, and that any material misstatements or failures to report information material to the risk may be used as the basis for rescission of my insurance subject to the incontestable period provision of the policy.

**I understand** that insurance will become effective on the first day of the month on or following the day approved by New York Life if I am alive on that date; the initial contribution is paid within 31 days after the date I am billed; I and any approved dependents are actively performing the normal activities of a person in good health of like age on the effective (residents of NC “performing normal activities” is replaced by the requirement that health status remains the same as stated on the application); and for Disability and Overhead Insurance only, I am actively working 30 or more hours per week on the date such insurance would take effective.
