Help protect your family's financial future, your home and the lifestyle you have worked hard for with the American College of Surgeons Group 20-Year Level Term Life Insurance.

WHAT IS GROUP 20-YEAR LEVEL TERM LIFE INSURANCE?

The ACS Insurance Trust's 20-Year Level Term Life Plan offers life insurance protection with premiums that are guaranteed for an initial 20-year period, and level amounts of insurance until termination at age 75.

At the end of the 20-year period, coverage will automatically be renewed without evidence of insurability, provided you are under age 75. Renewal premiums are not guaranteed and will be based on your then attained age and will change annually thereafter. Or, if you are under age 55, you may apply for subsequent 20-year periods of guaranteed level rates, subject to submission of satisfactory medical evidence. Rates will be based on your then attained age. Coverage never reduces due to age. Coverage ends when you reach age 75.

WHO IS ELIGIBLE?

All ACS members, under age 55, who resides in the United States and Puerto Rico may apply for coverage (excludes U.S. territories).

Your spouse, under age 55, and your unmarried dependent children from birth to age 25 are also eligible for coverage provided that you are currently enrolled or request enrollment in the 20-Year Level Term Life plan.

CHOOSE YOUR LEVEL OF PROTECTION

You may choose any benefit amount from \$100,000 to \$2,000,000 in \$50,000 increments. Your spouse may have a benefit amount in \$25,000 (minimum of \$100,000) increments up to \$1,000,000, not to exceed the member's amount. Each child may be insured for \$10,000 (from live birth to 15 days of age, the benefit is limited to \$100).

The total maximum amount of life insurance in force for all ACS Life Insurance Plans offered may not exceed \$2,000,000 for members and \$1,000,000 for spouses.

UNDERWRITING REQUIREMENTS

All applicants must meet the New York Life underwriting requirements (satisfactory evidence of good health) to qualify. Neither the College nor the Insurance Trust participates in decisions concerning insurability of applicants. The Administrator follows the Insurance Company's medical underwriting guidelines to evaluate enrollment forms. Thus, all final decisions regarding insurability are the sole responsibility of the Insurance Company.

ACCELERATED DEATH BENEFIT

To help your family cope with the financial hardship of a terminal illness, as a member you can request one advance payment equal to 50% of his or her (or a dependent's) in-force life insurance, up to \$500,000, to be paid while he or she is still alive. (Of course, the amount of insurance payable after the insured's death will be reduced by any payment made under this benefit and contributions will remain unchanged). This money can be used to help cover high prescription drug costs, medical bills, outstanding debts, to help pay for experimental treatments, the cost of modifications to your home, or a family vacation.

To qualify, a terminally ill insured must be under age 69 and provide the insurance company with proof of terminal illness and anticipated life expectancy (24 months or less), as well as any other medically necessary information requested. For additional details and limitations, please see the Certificate of Insurance.

NOTE Residents of NC, any reference to “performing normal activities” is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application.

WHEN COVERAGE ENDS

Please note that receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult the appropriate social services agency and seek the advice of tax counsel.

The Accelerated Death Benefit is not available to residents of Massachusetts.

NAME YOUR BENEFICIARY

You may select any person, persons, trust or other legal entity as your beneficiary. If at the time of your death there is no surviving beneficiary, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life, to the surviving relative(s) in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally.

If your beneficiary so chooses, death benefits may remain on deposit with New York Life in an interest bearing account. Your beneficiary would receive a checkbook and have immediate access to all monies in the account.

You are the automatic beneficiary for dependent insurance as described in the Certificate of Insurance. If you wish to name a different beneficiary for spouse coverage, contact the Administrator.

EFFECTIVE DATE OF COVERAGE

Coverage is effective on the first day of the month on or following the date of approval of your application by New York Life, provided the initial premium is paid when due and any person to be insured is performing the normal activities of a person in good health of like age on such effective date.

Your Group 20-Year Level Term Life protection will continue until you reach age 75, as long as you remain an ACS Member, your premiums are paid and the Group Policy is not terminated by New York Life or the policyholder.

Insurance for your dependents will continue until your spouse reaches age 75 and your dependent children reach age 25 or marry, respectively, as long as your insurance remains in force (other than by reason of your death), premiums are paid, they do not become insured as members, and your spouse remains your lawful spouse. Coverage on your dependents can continue if you die as described in the Certificate of Insurance.

CONVERSION OPTION

Your Group 20-Year Level Term Life insurance coverage may be exchanged for an equal amount of life insurance (up to \$10,000 if Group Policy ends), except term insurance, (subject to rates at the time of exchange) without any evidence of insurability required. This option must be exercised within 31 days of the time you cease to be a member of ACS, coverage terminates because of age, or if the Group Policy terminates and you have been insured for at least five years. The right to convert does not apply if coverage terminates due to nonpayment of premium or your written request.

LIMITATIONS

After two years from the effective date, your coverage is incontestable, except for provisions related to eligibility and nonpayment of premium contributions. Suicide is not covered for the first two years (subject to state law).

The benefit for war-related death while on full-time active duty in the military, naval or air service of any country, except duty for training purposes of two months or less; is payable in the amount of insurance in force on the date of death, up to a maximum of \$250,000, less the amount paid under the Accelerated Death Benefit.

YOUR COST

The cost of this level term life insurance is based upon the member's and spouse's gender; amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date coverage is issued. Once approved, rates are guaranteed for the initial 20-year period. Rates shown on the following pages are current as of 2015.

Premium will increase at the end of the initial 20-year period and will be based on your then current age, except that at the end of the initial 20-year period, the insured member or insured spouse may elect to reapply for 20-year level term rates covering a subsequent 20-year period if he or she is less than age 55. The insured member's or insured spouse's premium will automatically be calculated on a non-guaranteed basis if he or she: (1) is not approved for the 20-year level term rates; (2) is age 55 or over; or (3) does not elect to reapply for 20-year level term life rates.

Super Preferred Non-Smoker, Preferred Non-Smoker, and Non-Smoker rates apply to applicants who are non-tobacco/nicotine users and can meet stricter underwriting standards. Preferred Smoker rates apply to tobacco/nicotine users who otherwise meet stricter underwriting standards. Smoker rates apply to tobacco/nicotine users with higher risk factors than those in the Preferred Smoker classification. Upon approval of your application, you will be notified of the rate classification for each approved person.

All Children - \$12.00 (one rate covers all children regardless of the number)

Volume Discounts available -If you request \$250,000 in coverage, you'll receive a discount in rates. The more you request, the greater the discount. These discounts can have a significant impact on reducing your insurance costs.

Montana Residents - "Male" rates apply to all individuals regardless of gender.

In this notice, references to “you” and “your” include any person proposed for insurance. Information regarding insurability will be treated as confidential. The information provided may include information that may predate the time frame stated on the medical questions section, if any, on this application. This information may be used during the underwriting and claims processes, where permitted by law.

New York Life may release this information to the Plan Administrator, other insurance companies to which you may apply for life and health insurance, or to which a claim for benefits may be submitted and to others whom you authorize in writing, however, this will not be done in connection with test results concerning Acquired Immune Deficiency Syndrome (AIDS) or Human Immunodeficiency Virus (HIV). We may also make a brief report of your protected health information to MIB, but we will not disclose our underwriting decision

New York Life will not disclose such information to anyone except those you authorize or where required or permitted by law. Information in our files may be seen by New York Life and Plan Administrator employees, but only on a “need to know” basis in considering your request.
