

CURRENT 20-YEAR LEVEL TERM LIFE INSURANCE RATES

(as of 4/1/24)

Member-Exclusive Cost: The cost of this level term life insurance is based upon the Term of Guaranteed Rates, your gender, your spouse's gender, if applicable, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date coverage is issued. Once approved, rates are guaranteed not to increase for the initial term of guaranteed rates.

Rate Categories: Super Preferred Non-Smoker, Preferred Non-Smoker, and Non-Smoker rate categories apply to applicants who are non-tobacco/nicotine users and can meet stricter underwriting standards. Preferred Smoker rates apply to tobacco/nicotine users who otherwise meet stricter underwriting standards. Smoker rates apply to tobacco/nicotine users with higher risk factors than those in the Preferred Smoker classification. Upon approval of your application, you will be notified of the rate classification for each approved person.

CURRENT RATE TABLES

as of 4/1/2024

Good News! ACS authorized New York Life to credit the base policy rates (shown below) by 35%, due to positive claims experience.

Because the credit is based on actual experience, it cannot be promised or guaranteed beyond March 31, 2026. The ACS Trustees monitor the experience to help ensure a credit can continue beyond this date, although the % credit may change if experience warrants. Your base policy is guaranteed for the initial 20-year period. (Underwritten by New York Life Insurance Company, NY, NY 10010 policy form GMR)
